

KNOW YOUR RIGHTS

Immigrant Rights & Advocates Training Level 2

Free and open to all

Prior Know Your Rights training is helpful but not required.

Immigration “Know Your Rights” (KYR) trainings inform people about their constitutional and legal rights and offer approaches to take during encounters with immigration officials such as ICE. Learn how to assert your rights effectively, and how to protect yourselves and others. Workshop will be led by local organizers trained by the New York Immigrant Coalition (NYIC) and the Syracuse Immigrant & Refugee Defense Network (SIRDN).
