

# Casey Tatangelo for HCS School Board

I joined the Hamilton community in 2018 when my partner Kelley began teaching mathematics at Colgate University. I grew up in a rural town in Maine and I am a stone mason and independent contractor. Kelley and I settled into the community during the pandemic and started a family. We welcomed two foster children, who quickly integrated into the HCS community. We love the small, everyone-knows-each-other feel of Hamilton and we know our kids are receiving a well-rounded education, both academically and socially. We formally adopted our kids last year and we look forward to watching them grow and learn at HCS.

As the son of a former school board member (my mother compassionately served my school community for much of my childhood) and graduate of a small public school, I understand the responsibilities that come with the role of helping to lead the district and serving my community. My background in running a business has taught me communication, budgeting, and project management skills that will contribute to my success as an HCS board member.

I believe in supporting each student's individual needs, listening to kids, parents, and teachers and forming and maintaining a bridge we can all meet on to ensure we keep HCS a great school!

## VOTE

TUESDAY MAY 19 NOON – 8PM  
HCS BUS GARAGE
